MINERAL LICK PRO

Supplement For Beef Cattle & Horses

This protein, energy, concentrated vitamin and mineral package is specifically formulated for beef cattle & horses to complement roughage (grass hay or dry grass pasture) and/or light grain. Provide plenty of drinking water and free choice salt.

Altosid IGR active ingredient: 0.005%
(S) Methoprene (CAS#85733-18-8)

This product contains added
Selenium at 6 mg/kg

Guaranteed Analysis

Crude Protein, minimum	6.00%
Crude Fat, minimum	3.00%
Crude Fiber, maximum	2.00%
Calcium (Ca), actual	4.50%
Phosphorus (P), actual	4.00%
Salt (NaCl), actual (none added)	0.00%
Magnesium (Mg), actual	0.30%
Potassium (K), actual	3.00%

Copper (Cu), actual	500 mg/kg
Iodine (I), actual	25 mg/kg
Manganese (Mn), actual	2000 mg/kg
Cobalt (Co), actual	5 mg/kg
Zinc (Zn), actual	1500 mg/kg
Vitamin A, minimum	220,000 IU/kg
Vitamin D, minimum	22,000 IU/kg
Vitamin E, minimum	220 IU/kg

Ingredients

Beet Molasses, Sunflower Meal, Corn Distillers Grains with Solubles Dehydrated, Vegetable Oil, Monocalcium Phosphate, Magnesium Oxide, Manganese Oxide, Zinc Oxide, Copper Sulfate, Cobalt Sulfate, Ethylenediamine Dihydrochloride, Vitamin A, Vitamin D3, Vitamin E, Sodium Selenite and Ethoxyquin.

Feeding Recommendations

Expected intake is 220-385 grams (8-14 ounces or 1/4 - 1/2 lb.) per head per day. Product should be available continuously. Locate tubs near a source of water, salt or luffing areas. On open range locate tubs where animals congregate, near gaps or along trails. Variables in consumption could be temperature, humidity, type of animal, animal size, stage of production and animal health. The quality, source, availability of roughage and/or light grain may also affect consumption. Measure product upon first introduction to figure consumption. Tub holds approximately 3.2 kg (7 lb.) (18 lbs. per inch). Increase consumption by decreasing number of head or adding another tub. To reduce consumption, increase number of head or move tubs away from congregating areas. If this fails, remove a tub. Always provide a fresh, clean source of water and free choice salt.

Warning: Contains high levels of copper. Do not feed to sheep.
Selenium Caution: Directions for use must be carefully followed.
Do not use in association with other feed containing supplemental selenium.

Net Weight: 113.4 Kg (250 Lbs.)
